Web Quotes

Convert Wolseley quotations into immediate orders. With the Web Quotes feature on Wolseley Express you can review custom quotations on your desktop or mobile device at your convenience, then place as an order online.

Benefits Of Using Web Quotes:

**INCREASE EFFICIENCY**
- Your quotes stored in one place
- Easy access anywhere, anytime on any device and process to an immediate order
- Access to non-listed products
- Improve order accuracy
- Stay organized with active and expired quotes for your reference

**SAVE TIME**
- Work on the run or after branch hours
- View stock availability in quote details
- Review the web quote and place the order at your finger tips
- Request re-quotes for any changes on Active and Expired quotes

IT'S EASY TO START USING WEB QUOTES!
Here’s how:

1. As a Wolseley Canada account holder you can register for Wolseley Express. Once granted access and user right to Web Quotes, contact your branch or sales rep with details of what you want quoted.
2. Once the quotation is prepared it will appear in your Web Quotes feature on Wolseley Express. Unread quotes are easily identified in bold font.
3. Review quote details. If you require any changes contact the branch or request a re-quote from the order writer listed at the bottom of the quote.
4. Once you are satisfied with the quote, click “Check-out” to proceed with this order.

What Happens Next?
Once you have clicked on checkout, continue to enter required fields in the order details page. Providing details like required date, P.O. Number shipping information and special instructions will help us process your order.

Contact the order writer, branch or sales rep with any questions. You can also enter a required date weeks or month ahead. Your order will be secure and processed accordingly.

Requesting a Re-Quote
- When requesting a re-quote for Active and Expired web quotes, a form will open to be filled out, all fields are required. Once complete click Send.
- Once submitted, your order status will change to Pending
- An email notification will be sent to the web quote writer for the request to re-quote as well an email notification sent to you that your request is being worked on.
- Once your branch resubmits your quote, it will change back to Ready status

FAQs
Pick Up or Delivery?
You can choose to have the order delivered to the shipping address in the quote, or pick up at a specified location established when the quote was requested.

How Long Are the Quotes Valid?
Please refer to your Web Quotes feature on the My Wolseley page on Wolseley Express for expiration dates. Current quotes can be found on the “Active Quotes” tab until they expire. Once expired quotes can be accessed on the “Expired Quotes” tab.
