PRODUCTS\*

**Inspired by the smooth surface of a calm lake, the design of the new Portage® Bath Collection balances strong, poised footings and fluid lines to bring a sense of contemporary elegance to the bath.**

**Developed for the Canadian market, specifically the residential new construction segment, the Portage Bath Collection offers contemporary elegance and quality construction at an attractive price. The full suite includes a single handle bathroom sink faucet, a 2-handle widespread sink faucet, a 3-hole roman tub faucet with hand shower, as well as showers with H2Okinetic® raincan shower heads. This collection is available in Chrome and Matte Black finishes.**
